

Back to School Time!

Dear Fourth Grade Students and Parents,

Welcome to fourth grade. I am so happy to work with you this year at South Phoenix Prep and Arts Academy, and I can't wait to meet you!

I hope you are excited to begin fourth grade because this will be a fun, fabulous, and fascinating year of learning! Throughout the year, we will strengthen and expand our skills as readers, writers, scientists, and mathematical problem-solvers as we tackle new concepts and challenges in all academic areas. These will all build on and further what we learned in third grade.

In efforts to have a successful year, I ask that you please purchase the list of supplies below for our classroom. **Please remember to bring all of your supplies on the first day of school.** This will help us get organized so we can begin learning quickly. Most importantly, please remember to bring your enthusiasm for learning, a positive attitude, sense of humor, caring heart, and willingness to work hard. With these qualities in place, we can accomplish fantastic things in fourth grade. I can't wait to get started!
